To all Indel customers

Russikon, 18<sup>th</sup> July 2019

### End of life notice GIN-AX4

The GIN-AX4 product line will be discontinued by Indel at the end of January 2020. The GIN-AX4 can be replaced by several new and improved Indel products. Please contact Indel at an early stage in order to work out the optimal follow-up solution.

Do not plan new machines with the GIN-AX4 product line.

Label	Option	Indel-No.	Current product status	Product status in end of January 2020	Possible successor products
GIN-AX4		611041900	Full production	End of life	GIN-AX4x4 or COP-System
GIN-AX4	8PULS	611041901	Full production	End of life	
GIN-AX4	SM	611041900	Full production	End of life	

Please plan the use of spare products and / or setting up a stock of spare parts. Indel will not have a stock of spare parts.

### Order and delivery information:

	Datum
Notification date	18 <sup>th</sup> July 2019
Last possible order / volume contract	31 <sup>st</sup> January 2020
Last possible delivery	31 <sup>st</sup> January 2021

Reparaturen werden weiterhin durchgeführt, sofern das Produkt noch reparierbar ist und die benötigten Ersatzteile noch vorhanden sind.

### Explanation:

Single piece:	Can be delivered as spare part only. Do use our replacement product!
Mature product:	Mature product, but still with good availability. Do not use these products for new machine generations!
End of life:	No longer available/produced, but possibly fully serviceable.
